Whittier Area Community Day School
School Accountability Report Card
Reported Using Data from the 2012-13 School Year
Published During 2013-14

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at http://www.cde.ca.gov/ta/ac/sa/.
- For additional information about the school, parents and community members should contact the school principal or the district office.

I. Data and Access

DataQuest
DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access
Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Additional Information
For further information regarding the data elements and terms used in the SARC see the 2012–13 Academic Performance Index Reports Information Guide located on the CDE API Web page at http://www.cde.ca.gov/ta/ac/ap/.

School Description and Mission Statement (School Year 2012-13)
This section provides information about the school, its programs and its goals.

The Whittier Area Consortium Community Day School provides a safe, supportive environment of increased individualized attention and greater supervision for middle school students who are not able to participate in the general education setting of a comprehensive campus. Staff is dedicated to under supported youth achieving a successful return to mainstream education by engaging students in a challenging curriculum and focusing on the development of pro-social skills, increased self-esteem and resiliency.

Opportunities for Parental Involvement (School Year 2012-13)
This section provides information on how parents can become involved in school activities, including contact information pertaining to organized opportunities for parent involvement.

The Whittier Area Community Day School feels the greatest indicator of student success is parental involvement. As such we invite parents to participate on our campus in various ways:

Intake meeting:
All students that join our campus have scheduled intake with required parental attendance.

Parent Night:
Parents are invited to come to our campus for a dinner and group meeting three times a year. These meetings include guest speakers as well as time for discussions and question and answer sessions. Our last parent night yielded 90% attendance

School Site Council: Formed from parents and staff, the school site council meets regularly to discuss such issues as Categorical Budgets, Attendance, School Programs and Policies.

III. Student Performance

The Standardized Testing and Reporting (STAR) Program consists of several key components, including:

- **California Standards Tests (CSTs)**, which include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and nine through eleven.

- **California Modified Assessment (CMA)**, an alternate assessment that is based on modified achievement standards in ELA for grades three through eleven; mathematics for grades three through seven, Algebra I, and Geometry; and science in grades five and eight, and Life Science in   grade ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations.

- **California Alternate Performance Assessment (CAPA)**, includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations.

The assessments under the STAR Program show how well students are doing in relation to the state content standards. On each of these assessments, student scores are reported as performance levels.

For detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, see the CDE STAR Results Web site at http://star.cde.ca.gov.

Standardized Testing and Reporting Results for All Students - Three-Year Comparison

IV. Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of state academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. For detailed information about the API, see the CDE API Web page at http://www.cde.ca.gov/ta/ac/ap/.

Academic Performance Index Ranks - Three-Year Comparison

This table displays the school's statewide and similar schools' API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state.

The **similar schools API rank** reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2010	2011	2012

Students with Disabilities			

Note: "N/D" means that no data were available to the CDE or LEA to report. "B" means the school did not have a valid API Base and there is no Growth or target information. "C" means the school had significant demographic changes and there is no Growth or target information.

Academic Performance Index Growth by Student Group - 2013 Growth API Comparison

This table displays, by student group, the number of students included in the API and the 2013 Growth API at the school, LEA, and state level.

Adequate Yearly Progress

The federal ESEA requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

* Participation rate on the state's standards-based assessments in ELA and mathematics
* Percent proficient on the state's standards-based assessments in ELA and mathematics
* API as an additional indicator
* Graduation rate (for secondary schools)

For detailed information about AYP, including participation rates and percent proficient results by student group, see the CDE AYP Web page at http://www.cde.ca.gov/ta/ac/ay/.

Adequate Yearly Progress Overall and by Criteria (School Year 2012-13)

AYP Criteria	School	District
Made AYP Overall	Yes	No
Met Participation Rate: English-Language Arts	Yes	Yes
Met Participation Rate: Mathematics	Yes	Yes
Met Percent Proficient: English-Language Arts	Yes	No
Met Percent Proficient: Mathematics	Yes	No
Met API Criteria	N/A	Yes
Met Graduation Rate (if applicable)	N/A	N/A

Federal Intervention Program (School Year 2013-14)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. For detailed information about PI identification, see the CDE PI Status Determinations Web page: http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp.

Social Science					16	1	0	0	11	1		

Note: Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

School Safety Plan (School Year 2012-13)

This section provides information about the school's comprehensive safety plan, including the dates on which the safety plan was last reviewed, updated, and discussed with faculty; as well as a brief description of the key elements of the plan.

The Whittier Area Community Day School last reviewed the site safety plan over the summer of 2013, we used staff input to update and revise this plan, and drill regularly to maximize student safety. Our disaster plan focuses on the evacuation of buildings in the event of fire or earthquake and lock down. Staff has updated list of student contact info and emergency supplies are stored with the clerk in the office.

We have a long standing partnership with both the Whittier Police Department and the Pico Rivera Sheriff's office since our site borders both jurisdictions, as well as a good relationship with the probation department, who are encouraged to come to our site regularly to deal proactively with our students.

Suspensions and Expulsions

Rate	School			District		
	2010-11	2011-12	2012-13	2010-11	2011-12	2012-13
Suspensions	0	0	0	8.4	8.9	7.59
Expulsions	0	0	0	0	0	0

Note: The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment x 100.

VI. School Facilities

School Facility Conditions and Planned Improvements (School Year 2013-14)
This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

• Description of the safety, cleanliness, and adequacy of the school facility
• Description of any planned or recently completed facility improvements
• Description of any needed maintenance to ensure good repair

The Whittier Area Community Day School has safe, clean and adequate facilities: The buildings are in good repair and the campus enclosed completely with an intact chain link fence. The grounds are in good shape as well.

New ramps were installed on campus three years ago. Last year a new sign was installed, systems inspected and repaired where necessary. Bathrooms in class were painted, and fixtures replaced. New phone systems and technology were added at this time as well. Last summer the siding of the office was repaired as well as new paint in the office restroom and repair of the sink.

At this time the facility is in good order and not in need of repair.

School Facility Good Repair Status (School Year 2013-14)

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The Overall Rating

Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Core Academic Classes Taught by Highly Qualified Teachers (School Year 2012-13)

The federal ESEA, also known as NCLB, requires that core academic subjects be taught by Highly Qualified Teachers, defined as having at least a bachelor's degree, an appropriate California teaching credential, and demonstrated core academic subject area competence. For more information, see the CDE Improving Teacher and Principal Quality Web page at www.cde.ca.gov/nclb/sr/tq/.

Location of Classes	Percent of Classes In Core Academic Subjects	
	Taught by Highly Qualified Teachers	Not Taught by Highly Qualified Teachers
This School	100.0	0.0
All Schools in District	100.0	0.0
High-Poverty Schools in District	100.0	0.0
Low-Poverty Schools in District	0.0	0.0

Note: High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

VIII. Support Staff

Academic Counselors and Other Support Staff (School Year 2012-13)

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor		
Counselor (Social/Behavioral or Career Development)	1.0	---
Library Media Teacher (Librarian)		---
Library Media Services Staff (Paraprofessional)		---
Psychologist		---
Social Worker		---
Nurse		---
Speech/Language/Hearing Specialist		---
Resource Specialist		---
Other		---

Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

IX. Curriculum and Instructional Materials

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2013-14)

This section describes whether the textbooks and instructional materials used at the school are from the most recent adoption; whether there are sufficient textbooks and instruction materials for each student; and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

Year and month in which data were collected: September 2010

Whittier City School District policy and practices are designed to ensure that each student has access to instructional materials that are aligned with State core content and performance standards. The Language Arts, Math, Social Science and Science curriculum materials are aligned with the 1997 standards and approved by the State Board of Education. Each student is assigned a set of core materials. There is a process in place for schools to order materials at the beginning of each school year to address the changing needs of their student population, and on an "as needed" basis. Each school site is responsible for notifying district staff when new students register for classes so appropriate materials can be ordered.

Whittier Area Community Day School complies with the Williams Law; every child has an appropriate textbook for all academic subjects requiring textbooks. Students are allowed to take their textbooks home for study after school when needed. The school uses categorical funds to provide supplemental materials for the classrooms including classroom library books, as well as materials for intervention and ELD.

WCSD has in place a thorough process for examining new adoption materials as they become available. As the District moves towards the implementation of the Common Core State Standards (CCSS), the District will use that process to examine and explore and adopt new curriculum materials aligned with the CCSS, with input and feedback from teachers, administrators and parents.

Core Curriculum Area	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy
Reading/Language Arts	Holt Rinehart (2003) Adoption Year 2004	Yes	0
Mathematics	Holt Rinehart and Winston (2008) Adoption Year 2008	Yes	0
Science	CPO (2007) Adoption Year 2007	Yes	0
History-Social Science	Holt Rinehart and Winston (2006) Adoption Year 2007	Yes	0

X. School Finances

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2011-12)

Level	Expenditures Per Pupil			Average Teacher Salary
	Total	**Supplemental/ Restricted**	**Basic/ Unrestricted**	
School Site	$29,929.52	$6379.27	$23,550.25	$88,447.99
District	---	---	$3506.29	$69,082
Percent Difference: School Site and District	---	---	571.7	28.0
State	---	---	$5,537	$70,193
Percent Difference: School Site and State	---	---	325.3	26.0

Supplemental/Restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted.
Basic/Unrestricted expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending Web page at http://www.cde.ca.gov/ds/fd/ec/. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits Web page at http://www.cde.ca.gov/ds/fd/cs/. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: http://www.ed-data.org.

Types of Services Funded (Fiscal Year 2012-13)
This section provides specific information about the types of programs and services available at the school that support and assist students. For example, this narrative may include information about supplemental educational services related to the school's federal Program Improvement (PI) status.

Whittier City School District receives ADA for students for all educational services including salaries, instructional materials, maintenance, transportation and capital expenses. In addition schools receive Categorical funds from Title I, EIA-LEP, ELAP, and Special Education.

Title 1 and EIA funding provide supplemental support for reading and math programs during and after school. In addition, these funds are used to provide teachers with release time so they can collaborate on their instructional program. Support materials for math and reading intervention are purchased with categorical funds. Other services provided through categorical funds include an office clerk for intervention and attendance monitoring, parent liaison and library clerk for three hours per day; our EIA funds are also used to fund an additional hour each day of health clerk support, our EIA/LEP funds provide our teachers with instructional materials during English Language Development and are used to support our English Language Learners throughout the school day. These funds are also used for collaboration opportunities, the after school intervention program targeted for English Learners, and for professional development.

Teacher and Administrative Salaries (Fiscal Year 2011-12)

Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	$35,336	$41,451
Mid-Range Teacher Salary	$65,548	$67,655
Highest Teacher Salary	$82,725	$85,989
Average Principal Salary (Elementary)	$101,572	$108,589
Average Principal Salary (Middle)	$107,772	$111,643
Average Principal Salary (High)	$0	$110,257
Superintendent Salary	$181,370	$182,548
Percent of Budget for Teacher Salaries	38.3%	41.8%
Percent of Budget for Administrative Salaries	5.2%	5.5%

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at http://www.cde.ca.gov/ds/fd/cs/.

XI. Instructional Planning and Scheduling

Professional Development
This section provides information on the number of days provided for professional development and continuous professional growth in the most recent three year period. Questions that may be answered include:

- What are the primary/major areas of focus for staff development and specifically how were they selected? For example, were student achievement data used to determine the need for professional development in reading instruction?
- What are the methods by which professional development is delivered (e.g., after school workshops, conference attendance, individual mentoring, etc.)?
- How are teachers supported during implementation (e.g., through in-class coaching, teacher-principal meetings, student performance, and data reporting, etc.)?

The fundamental goal of the Whittier City School District is to continually examine and improve our practices to ensure that all students have the best opportunities to achieve high academic standards. In order to effectively prepare our students for 21st Century college and career, classroom experiences will be designed to encourage student creativity, increase meaningful discourse and communication, develop critical thinking skills, while providing opportunities for problem solving and collaboration. To reach these goals and close the achievement gap between high achievers and struggling students, the District's instructional priorities are to:

- Provide professional development to teachers on the new Common Core Standards and the instructional practices that support the implementation of the CCSS;
- Enhance teachers' skill and knowledge in the integration of technology across the curriculum;
- Support teachers by providing access to timely and appropriate data on student performance;
- Provide training to develop teachers' knowledge and skill to analyze data;
- Provide opportunities for teachers to collaboratively work in grade level and/or department level teams to examine data, monitor student learning and plan instructional practices;
- Develop a comprehensive and effective "Response to Intervention" model that will support those students who are struggling academically and behaviorally;
- Provide professional development to teachers and schools leaders on how to develop, nurture and sustain effective "Professional Learning Communities"

Whittier City School District leaders understand the importance of ongoing, in-depth professional development directly connected to district and school learning goals. The focus for 2013 is to introduce all elementary teachers to the Common Core English Language Arts standards and to introduce middle school teachers to the Common Core English Language Arts and Mathematics standards. In addition to presenting on the Common Core Standards, District Instructional Coaches provide additional training and coaching support to enhance teachers' expertise in technology integration, lesson design, instructional planning and the tenets of PLCs. Professional Development is provided during the summer, teacher release time, after school and on Tuesday early release days. To address the needs of our English Learners, teachers from each site have attended professional development in Systematic ELD to strengthen the implementation of a comprehensive approach to teaching English Language Development. District Curriculum Improvement Teams (CITs) meet when needed to analyze the District's Essential Agreements, Benchmark Assessments and Pacing Guides to revise and make recommendations for improvements.
