

BOX TOPS

Collection Information and Contest

Parents,

I hope you are all getting adjusted with your children back in school! I am excited to be the box top coordinator this year and work with you to get lots of box tops! I am going to be doing things a little differently than last year, so please feel free to email me with any questions you have about how collections and contest will work this year. One thing to note, Labels for Education is canceling their program as of August 2017; however, we will still be collecting them throughout this year. There will not be a separate count for Labels for Education; one Label will count as one Box Top.

Instead of having a weekly contest, I will collect once a month for a monthly popcorn party contest. Those box tops will also count towards the quarterly contests. There will be two groupings for winning quarterly contests: K-2 will compete against each other, and 3-6 will compete against each other (there will be one winner from K-2, and one winner from 3-6; preschool does not compete for quarterly contests). For monthly contests, each grade level will compete with itself (preschool will not compete, but all classes will get a popcorn party each month as long as there are box tops turned in for each class); there will be one winner from each grade level each month. The monthly contest winners will win a popcorn party! I will be sending out information for each quarterly contest, but the first one will be a cupcake party. Yum! (If you have a child with food allergies, we will modify for him/her if his/her class wins.)

On the back of this letter are the dates of the collections. I will be giving each teacher a laminated manila envelope with these dates listed on the envelope. The following week, winners will be announced via the box top bulletin board in the entry way. I will be looking for assistance with the contest and counting box tops, so if you are interested in helping, please email me! Please also let me know if you have any questions! I look forward to working with you all this year!
