

**KEEP
CALM
AND GET YOUR
Tdap VACCINE
BEFORE THE 7TH GRADE**

California Immunization Law

Assembly Bill 354

**ALL STUDENTS ENTERING
7th GRADE for the
2018-2019 SCHOOL YEAR**

will need proof of a Tdap booster shot before the first day of school. Students without proof of a Tdap vaccination by the first day of school will not be placed on a class list.

The Tdap immunization covers the following diseases: Tetanus, Diphtheria, and Pertussis (whooping cough). This immunization requirement is intended to protect the health of students and their families.

Students 10 years of age are recommended to be vaccinated with Tdap now. This will also help to meet the Tdap school requirements for the 2018-2019 school year.

The McCabe Union Elementary School District Office is currently open Monday-Friday, 7:30a.m.-4:00p.m. and will be open throughout the summer to accept proof of a Tdap vaccination from your child's pediatrician (U.S. doctors only), a pharmacy, or the Public Health Department.

For more information, please contact the El Centro Public Health Department at (760) 482-4441, the McCabe District Office at (760) 335-5200, or the California Department of Public Health, Immunization Branch website at www.getimmunizedca.org.

**Make your child's Tdap booster appointment
TODAY!!**
