¹Up to one grains/breads serving per day may be a grain-based dessert on Enhanced Food Based Menu Planning. Grain-based desserts do not credit as a grain/bread on Traditional Food Based Menu Planning.

²As part of the Alabama Nutrition Policy, single items that constitute the reimbursable meal may be sold a la carte. Additional portions of those items may be sold by the cafeteria.

³As part of the HealthierUS School Challenge, competitive foods criteria do not apply to additional servings of the entrée. These criteria do apply to additional servings of other items that comprise the reimbursable meal and a la carte that is not part of the reimbursable meal.

⁴Information based on food items as purchased. Ingredients added during the cooking process may alter data.
