SBAC & GALYMPICS

Special Schedule in May: Two days a week, students will have testing in the morning. As always, we will start each day with Movement and every Friday with Community Meeting. Testing only takes place in the morning. After lunch we will enjoy an afternoon of Galympics fitness competitions and team-building activities! Students do their best on the state tests and the Galympics competitions when they: 1) have had a full night of sleep, 2) have eaten a nutritious breakfast, and 3) are well hydrated.

Parent Volunteers Needed!

In the morning, we are on a special block schedule to allow students to take their time as they test. We need **4 parents** to support us with student bathroom breaks on Wednesday and Thursday morning. Volunteer hours are from 9am to 11am. Please email Kelly Snyder at ksnyder@galschoolsla.org or text/call the office (818) 389-1184 if you can join us.

MORNING VOLUNTEERS NEEDED:

Testing Days: Wednesday, 5/10 and Thursday 5/11

Volunteer Times: 9:00am-12N

In the afternoon, after testing is finished, the girls will go to lunch and then have their Tuesday Treat class, followed by Galympics competitions and activities with their Wellness Teams! Stay tuned for ways you can support and volunteer at the Galympics!

GALS is partnering with **Girls On The Run (GOTR)**. Our Run Coaches are Kelly A and Kelly S!

GOTR's Heart and Sole program is coming to GALS next year! Ask your daughter about it. This year, we have a special invitation to participate in GOTR's 5k race on Saturday, May 20th. **Students run the race for FREE** and adults can run for only \$12! Join Kelly A and Kelly S on 5/20! See the attached flyer for details on how to register.

GALS LA Families,

This morning, we conducted a lice check on all students. Due to confirmed cases of lice, we are sending this letter to inform you of the precautions we are taking as a school in order to prevent it from spreading on campus. The current confirmed cases are already being treated and furthermore we ask that you check your daughter at home this evening and begin treatment **immediately** if you confirm a case of lice.

Unfortunately, lice in school-aged children is a very common issue. However, there are ways families can help keep their children from getting or spreading head lice.

Below are some important reminders to help prevent:

- Avoiding head-to-head contact at school (in gym, on the playground, or during sports) and while playing at home with other children.
- Not sharing combs, brushes, hats, scarves, bandanas, ribbons, barrettes, hair ties or bands, towels, helmets, or other personal care items with anyone else, whether they may have lice or not.
- Not laying on bedding, pillows, and carpets that have recently been used by someone with lice.
- Every 3 or 4 days, examine members of your household who have had close contact with a person who has lice. Then, treat those who are found to have lice or nits close to the scalp.

Students well-being is our top priority, if you have any questions do not hesitate to contact our school office at (818) 389-1184

Sincerely,

GALS LA Staff
