

## KCUSD Educational Options

Welcome to Educational Options! You will discover that we offer a number of educational options from which to choose, opportunities for education and training beyond high school, and a staff who works hard to provide growth and encouragement to their students.

The ***mission*** of KCUSD Educational Options is to provide various opportunities for K-12 students seeking an alternative educational experience to engage in rigorous, standards based instruction in a school that fits their needs, ensuring all students reach their highest potential.

The ***vision*** of KCUSD Educational Options is to provide a variety of high quality, effective program options to meet the needs of all students, assuring opportunities for every student to achieve their highest academic potential and to develop graduates of both positive values and character. We strive to ensure that every student is prepared for success in a post-secondary school or job training program, career, and community.

The Kings Canyon Unified School District has five Educational Options programs.

**Kings Canyon High School** is a small continuation high school characterized by an individualized educational philosophy, smaller class sizes, and an attractive campus in the country. Teachers focus on building relationships with students while establishing high expectations for both behavior and academics. The primary purpose of Kings Canyon High School is to support students 16 and older in recovering credits to meet graduation requirements. Classes are also offered for 7<sup>th</sup> and 8<sup>th</sup> grade students at our Opportunity Program which is held at Great Western School.

**Mountain View School** utilizes an independent study approach. Teachers meet with students one-on-one to discuss and support weekly assignments and to assess accomplished work. This school serves the needs of those students who are unable to attend school on a regular basis due to a documented medical condition or students that have extenuating needs which can be better served in an individualized program.

**Dunlap Leadership Academy** provides students the flexibility to learn at their own pace, engage in rigorous course work, receive help as needed, and prepares students for the future through the use of online learning. Students have access to a computer lab in Reedley, Orange Cove, and Dunlap as well as support from credentialed teachers as needed. Most of a student's work can be accomplished from home online. We know that finding the right educational option is important. Dunlap Leadership Academy was created to fit who you are. The Dunlap Leadership Academy is a WASC accredited high school with UC approved A-G course offerings. DLA offers more than 90 online courses, California-credentialed teachers, and technology built specifically for online learning.

**Reedley Middle College High School** provides a bridge from school to college and/or career utilizing learning experiences and interests through access to Reedley Community College courses, internships and service learning projects. The mission is to assist students in the successful completion of high school while concurrently completing coursework that earns college credit. RMCHS is a WASC accredited high school with UC approved A-G course offerings for students.

**Kings Canyon Adult School** offers classes for adults and high school students who have attained senior status. Services are also provided for high school juniors in need of remediation and credit recovery. Most classes are held in the evenings, Monday through Thursday. A few classes are offered in the morning and afternoon. Classes are offered in Reedley, Orange Cove and Dunlap. The adult program offers high school diploma classes, English as a Second Language, Adult Basic Education, Vocational and Career Tech, and classes to meet community interests and needs. Adult Independent Study is also available.

For more specific information concerning the schools above, please do not hesitate to call each site with specific questions.
