AHERA ANNUAL NOTICE
ZIONSVILLE COMMUNITY SCHOOL CORPORATION

This information is being published to comply with the requirements of 40 CFR 763, Subpart E, Asbestos Containing Materials in Schools. This regulation, commonly known as the "AHERA" rule, requires local education agencies, such as this one, to perform certain tasks in regards to the presence and control of asbestos containing materials in the buildings under the jurisdiction of the local education agency.

These include but are not limited to:

1. Developing an asbestos management plan which is designed to outline procedures and guidelines for the initial inspection, triennial reinspections, and 6-month periodic surveillance of asbestos-containing materials that are present in the buildings.
2. Provide awareness training and additional training to selected school employees.
3. Periodically notify all workers and occupants, or their local guardians, parent teacher organizations, and collective bargaining organizations of the availability of asbestos management plans, the location of same and the times that the plans may be reviewed.

This notification is to advise all patrons, occupants, or their legal guardians, collective bargaining organizations, and parent-teachers organizations, that the asbestos management plans required under this act are available for review upon request. The plans can be viewed by any person during normal business hours of the particular school. Interested parties wishing to inquire about the plans should contact the individual school office. Master copies of the plans for all buildings under the jurisdiction of this local education agency are available in the Administration Building, which is located at 900 Mulberry Street, Zionsville, Indiana 46077; telephone number (317) 873-2858. Inquiries regarding any facet of the regulation or the management plans should be directed to Mr. Jeff Wade at the above telephone number during regular business hours.

Zionsville Community School Corporation school facilities and buildings which contain asbestos-containing materials (ACMs) and must comply with the 40 CFR 763, Subpart E (AHERA) regulations include:

Zionsville Community High School, Eagle Elementary School, Old Union Elementary School, and the Educational Service Center.

Listed is a brief description of asbestos projects currently ongoing and completed at our facilities this past school year, as well as activities currently scheduled for the 2017/2018 school year. Detailed reports of each activity will become a part of each school's asbestos management plan and may be reviewed in the school office.

* The required six month periodic surveillance was conducted in November 2016.

* The next required triennial reinspection will be conducted in April 2019.

* The required six month periodic surveillance activities are scheduled for April and October each year.

School facilities and buildings that are asbestos free and require no surveillance or reinspection are:

Zionsville Middle School, Pleasant View Lower Elementary, Pleasant View Upper Elementary School, Stonegate Elementary School, Zionsville West Middle School, former Administration Building, New Union Elementary, Boone Meadow Elementary, and Transportation Center
