

Cougar Families,

First and foremost, Happy Mother's Day to all of the extraordinary mothers out there! I hope your day was filled with love, laughs, and relaxation! The weeks are dwindling until the end of the year, we will begin NWEA MAP testing this week. Please remind all of our scholars to do their absolute best! This assessment helps to determine our school report card. Here are just a couple reminders for the upcoming week.

Thank you to everyone for your thoughtfulness and token of appreciation for our incredible staff!!

Attendance: Clissold needs everyone's daily support to get our school attendance rate back to 96%!! Currently, we are under 95% and could jeopardize our opportunity to maximize scholar's learning time and our points toward the school report card(SQRP). Please have our scholars here on time daily and know understand that early dismissals count negatively against our attendance rate. We are running weekly attendance incentives and pizza for homerooms that have 10 perfect attendance days.

Huge Thank you to the PTA and Science Club for a wonderful Science Night!
