Re: Staff Changes

Hello Families,

This letter is to inform you that we have some staffing changes here at LAICHS. Unfortunately, Mr. Pakdel (Math 1, Math 3, Calculus and CP 10) as well as Mr. Keller (Chemistry and Environmental Science) recently informed us of their departure and we are sad to see them go. However, we are diligently working to ensure that new hires will be perfect for our school, and will be hiring promptly. We thank you for patience and belief in our educational system. We guarantee our students have been provided with lesson plans and materials prepared by a credentialed staff daily and according to the Common Core Standards. If you have any questions please feel free to contact any office personnel.
