

Dear Future Fifth Grade Students,

We hope you had a wonderful year in fourth grade and look forward to seeing you in the fall. Fifth grade will be a new adventure for all of you.

In preparing for next year, we ask that you continue reading fourth grade level or higher books, and also to practice and memorize your multiplication and division facts. Mastery of multiplication and division facts 1 – 12 before entering 5th grade is essential to your child’s success in math. In preparation for supplies that will be asked of students to bring to school next year, we are giving our supply list to you now, so you can snatch those good bargains!
