

# State Tests Are Coming!

Dear 4th—7th Grade Parents,

The LEAP State Assessment for ELA, Math, Social Studies and Science Field Test is a computer-based test for grades 4-7. Attached you will find a Parent Guide provided by the state. There are links to their website to provide further parent guidance.

At Resurrection, the testing days will be rotated within the state testing window as follows. Please make sure that your child is at school on time on these days. If you must make a doctor's appointment on a testing day, please make it after 1:00.

<b>4th Grade</b>	April 18	April 20	April 24	April 26	April 30	May 2
<b>5th Grade</b>	April 19	April 23	April 25	April 27	May 1	May 3
<b>6th Grade</b>	April 18	April 20	April 24	April 26	April 30	May 2
<b>7th Grade</b>	April 19	April 23	April 25	April 27	May 1	May 3

Please take a moment to write an encouraging note about testing on the attached paper or paper of your choice. Please give the note to your child to read before school. The note will provide some extra inspiration and confidence for your child to do his/her very best!

Please see the Parent Tips on the back of this page. By working together, we can make your child's test experience positive and successful. Following these simple steps can actually improve test scores. If you have any questions, please contact your child's teacher or me.

Sincerely in Christ,  
Mrs. Colleen Remont  
Assistant Principal /Test Coordinator  
cremont@roolschool.org

## Earn Attendance Incentives

A dress down day will be awarded to students in grades 4-7 who are present and on time for all their designated testing days.

An ice cream treat will be awarded to all students who are present and on time for the entire week of April 30.

# Parent Tips

## For a Great Testing Week!

- Be sure your child is at school each day and arrives on time.
- Have everything ready the night before to prevent a stressful morning (uniform, backpack, lunch, glasses, good luck note, etc.)
- Make sure your child gets adequate sleep, at least 8 hours.
- Feed your child a nutritious breakfast, no sugary foods.
- Gently encourage your child to do his/her best and try to make sure they feel relaxed before going to school.
- Offer a special treat or favorite dinner after testing is over.

**Preparing for the Finish Line!**
