Dear Collegewood Families,

We would like to welcome you to the new school year! My name is Maryam Huerta, and together with Hana Chung, we will serve as the Box Tops coordinators for the 2017-2018 school year. The Box Tops for Education is a national school earnings program that has been around since 1996. Since then, schools across the country have earned over \$800 million dollars for books, computers, school supplies and more just by clipping Box Tops from common household products! This school year we hope to raise \$1,000 that we can use towards technology supplies.

To make things more exciting for our families, we will be running a raffle contest. For every sheet turned in (10 Box Tops), you will receive one entry into the drawing of your choice. There are no limits to the sheets turned in and the more you turn in, the better your chance to win! There will also be a classroom competition this year. The winning classroom that brings in the most box tops gets bragging rights and a pizza party!

Remember, Box Tops can be found on hundreds of quality products from various brands. I've attached a full product list for your information. You can also earn more for our school by downloading the Box Tops app on your phones. Turn your everyday receipts into cash for Collegewood. There is a flyer attached for more information.

For more information on the Box Tops for Education program, including our school's progress, visit www.BFTE.com. Please enter our school ID #192643 so our school gets credit. If you have any questions, please do not hesitate to contact me.

Let's make our Box Tops program a HUGE success this year! Thank you again for participating and making a difference for our Cougars!

Sincerely,
Maryam Huerta and Hana Chung
