

Good Afternoon West Wilkes Community,

I hope the second 9 weeks has gotten off to a great start for everyone. Report cards will come home with students on Wednesday. Please take some time to discuss with your BlackHawk their grades and goals for the remainder of the semester. The teachers will do everything in the power to help each student be successful. Please help us make sure our BlackHawks are doing their part.

Students - please make sure to take advantage of SmartLunch tutoring daily.

Winter Sports Season Starts on Monday - If you plan to try out for a winter sport, please have your current physical documentation and additional required paperwork turned in to the appropriate coach.

Herff Jones will be on campus Thursday and Friday. Students need to bring all of their cap and gown order information, as well as all ring orders.

Click on self-discipline below to read a short article. Take time over the next week to discuss the importance of self-discipline with your BlackHawk.

Thank you for your support. Have a great week!
