

# I WONDER WHATEVER HAPPENED TO....?

Have you ever wondered what happened to the members of your graduating class? They probably are wondering the same about you! There is now an easy way to find out. Take a moment to check out one of the newest additions to the district's web site – AlumniLink. AlumniLink is a place where you and your fellow classmates can register and post information to help you stay in touch and keep in touch as the years go by. It's a reliable and safe tool for you to submit up-to-date personal information as well as a search tool for finding current information on other graduates. The best part is, it's free of charge unlike many other sites on the web.

AlumniLink also functions as a planning tool allowing classes to post information about your upcoming reunions. Where will everyone be 10 or 20 years from now? AlumniLink will help you find out.

## HOW DOES IT WORK?

- Go to [www.bcsdk12.org](http://www.bcsdk12.org) and select **Community** and then **Alumni**.
- Click on **Add Alumni Information**
- Fill in the blanks.

Even though you and your friends aren't in high school any longer, with AlumniLink you're only a mouse click away.
