

Have a Jolly Green Holiday Break

Please keep this flyer on your refrigerator as a reminder to save your **CRV** (California Redemption Value) beverage containers: **Glass bottles, Aluminum cans, and Plastic bottles**

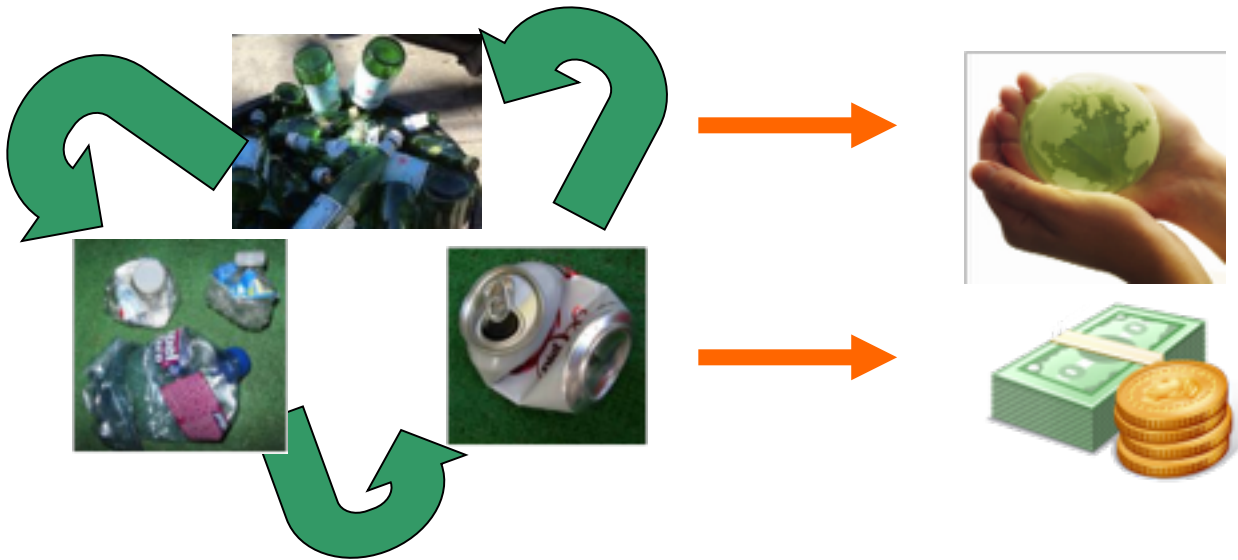

Bring them to the Green for Green drive on **Tuesday, Jan 20th** to recycle and raise money for our school. Small efforts can add up to make a big difference. Don't miss this simple and easy opportunity to help the planet and support our school. If everyone contributes, we can easily raise \$1000 in one morning.
