

# Vision

Your vision option for 2017-2018 is the following:

- VSP Choice Plan through ACSIG

## Plan Offerings:

VSP Choice features a broad provider network with substantial access across the United States in a variety of settings. All VSP Choice network providers are independent optometrists or ophthalmologists in private practice who provide full service. If you prefer to use a non-network provider, this option is still available under the plan; however, the benefit allowances are lower.
