**HELP  
MAKE THE  
MUSIC  
HAPPEN**

Navarro Panther Band Boosters is a growing organization of parents and other volunteers who help support the needs of the Navarro Panther Band Program. From 6th to 12th grade, we support over 300 kids who participate in various band programs including Beginner Band, Junior High Band, High School Marching and Concert Bands and our Jazz Band.

We raise funds to help support all Navarro Band Programs, buy needed instruments and equipment, and fund other projects to lessen the burden of individual students and parents and the school district overall. We also provide numerous volunteer hours to help organize, chaperone and otherwise support the band directors who educated our kids in the study of music.

We are proud of the many accomplishments of the collective Navarro Panther Bands that have received top awards in practically all areas of competition from Junior High to High School. We hope that the support of parents within the Band Boosters is a part of the Band's success.

We need all Band Parents to help support the Band Boosters efforts to make sure that students have what they need, when they need it. The more volunteers we have, the less the burden is for all. So please consider joining, supporting and volunteering in the Navarro Panther Band Boosters by signing up TODAY!!!
