

LLEAF [IRS§ 501 (c) (3)] Tax I.D. 8018826

LLEAF DONATION LETTER

The Little Lake Educational Advancement Foundation (LLEAF) is a California non-profit corporation which was formed by parents, teachers, classified staff, administrators, Board members, and community members to support the students of Little Lake City School District. "The mission of LLEAF is to enrich and support the educational programs of the District through community fundraising, active involvement, and awareness of our students' needs"

Since its establishment in 2010; The LLEAF foundation has awarded more than \$150,000 in grants through our annual fundraising events. These include the golf tournament in March and a Fourth of July fireworks booth at the District Office. Our future plans include the establishment of a permanent endowment fund that will provide a source of support for further enrichment programs for the seven elementary and two middle schools.

The profits from our fundraising events go directly to the seven elementary and two middle schools. Below are several items/excursions that the students have received or

- Tablets and Apple IPAD to be used under instruction
- New and updated books for Library-Media Centers
- Meet the Masters: An interactive art lesson
- Help Middle School Students fundraise to attend the annual Washington DC trip
- Field Trips to:
 - Columbia Space Center
 - Natural History Museum
 - Riley's Farm
- Assemblies:
 - Science to Go
 - Starlab Planetarium

For further information about the LLEAF organization and its activities, please check out our web page at www.llcsd.net or call Manuel Correa at the district office (562) 868-8241, ext 2278.

If you wish to make a donation to LLEAF, become a sponsor at one of our events, volunteer to work at an event, please contact Manuel Correa at (562) 868-8241 ext. 2248, or email him at mcorrea@llcsd.net.
