

Navasota ISD

Request for Food Allergy Information

The Texas Legislature passed HB 742 which requires our school district to request information regarding food allergies when a student enrolls.

Texas Education Code Chapter 25, Section 25.0022. FOOD ALLERGY INFORMATION REQUESTED UPON ENROLLMENT.

(b) On enrollment of a child in public schools, a school district shall request, by providing a form or otherwise, that a parent or other person with legal control of the child under a court order: (1) disclose whether the child has a food allergy or a severe food allergy that, in the judgment of the parent or other person with legal control, should be disclosed to the district to enable the district to take any necessary precautions regarding the child's safety; and (2) specify the food to which the child is allergic and the nature of the allergic reaction.

This form allows you to disclose whether your child has a food allergy that you believe should be disclosed in order for Navasota ISD to take necessary precautions for your child's safety.

Please provide the following information regarding your child and check one of the options below:

Student Name: _____ **Date of Birth:** _____

Campus: _____ **Grade:** _____

_____ My child does not have a food allergy.

or

_____ My child has a food allergy or severe food allergy that in my judgment should be disclosed to the district to enable the district to take any necessary precautions regarding the child's safety.

Food: _____

Nature of Allergic Reaction: _____

Navasota ISD will maintain the confidentiality of the information provided and may disclose the information to teachers, school counselors, school nurses and other appropriate school personnel only within the limitations of the Family Education Rights Act and district policy.
