

*Dear Parents of Responsible Silver Spur students:*

*Keeping students safe is our highest priority at Silver Spur! In this regard, I wanted to update you on some information.*

*I am looking forward to a safe and happy school year. One way to make certain that all of our students are safe is to **follow the traffic regulations**. Please help us by following the rules. To those of you who faithfully drive safely while following the rules, thank you*

*Please be sure to share this important information with dads, grandmas, nannies, or anyone who is picking up or dropping off your children each day.*

- 1. There are NO LEFT TURNS into and out of the parking lot during drop off and pick up hours. A mom was nearly hit the other morning.*
- 2. The signs by the Kindergarten drop off are INCORRECT. I have already notified the City of Rancho Palos Verdes to make these corrections. The area is DROP OFF ONLY. There is not a 5 minute parking limit.*
- 3. Please be respectful of parent volunteers who are donating their personal time to keep our children safe and to help the flow of traffic. The words thank you travel miles!!!*
- 4. Also, please arrive earlier and park your cars if you would like to walk your children into their classrooms.*
- 5. Please talk with your children. Review where and when you will be picking them up. Remind them that if they are scared or uncertain they should always go to the office. If an emergency occurs and you are stuck, notify the office so that we can inform your child that you will be late and keep them in the office.*
- 6. Please do not park across the street and wave your child over. They will not be seen as they pass through cars and you are putting your child's life in jeopardy. Use the crosswalks*

*If you have children at both dismissals, please pick up the first child and continue out of the driveway and return back into the line for the later dismissal. We cannot have you wait in your car in the driveway. There are cars behind you that need to pick up their early dismissal children. And to those of you who regularly already do so....thank you!*

*Please know that there is NO SIBLING WATCH between 2:36 p.m. and 3:00 p.m. Children leaving at 2:36 p.m. need to be picked up or enroll in Kid's Corner.*

*Thank you for helping us ensure a safe school for all.*
