Parents and Guardians of fifth through eighth graders,

Your child is now using a Google Chromebook as a school tool. Students are safe, confident explorers of the online world, and are able to collaborate with peers, and interact with their teachers. Personal cellular phones or devices will no longer be permitted for use during the school day.

With this new policy, teachers are now reminding students to submit cellular phones or devices to the classroom pocket chart. Students must turn in their devices upon arrival and reclaim them at the end of the school day. You will be informed if your child did not turn in a cell phone. Deliberately not turning it in will result in a demerit. Cell phones or devices that are left at school will be locked in the classroom closets.

Please checkmark your answer to the question below and return the bottom form to school by Tuesday, September 5<sup>th</sup>.

Mahalo for your support,  
Mrs. Luarca

Student Name \_\_\_\_\_ Grade \_\_\_\_\_

Does your child bring a cell phone/ device to school?

\_\_\_\_ My child DOES bring a cell phone/ device to school. He/she will submit it upon arrival and reclaim it at the end of the school day. If it is forgotten in school, I understand that it may be reclaimed the following school day.

\_\_\_\_ My child does NOT bring a cell phone/ device to school. If this changes, I will inform my child's teacher.
