

WABASH COUNTY PROMISE

Presented by Beauchamp McSpadden

I remember when I was in Kindergarten at OS Neighbours, Mrs. Idenhour was my teacher, and I learned how to count up to 100! I also learned how to tie my shoe!

I go to college at Ivy Tech, and I am pursuing a degree in business. It is a fun field with a wide range of job opportunity.

The best thing about college is all the new people you meet, and all the new things you learn.

Study Hard!
