*Eric Elrod, Assistant Principal*

Dear Parents / Guardians:

Primary and secondary school education Act (ESEA) of 1965 requires that parents or guardians who have children attending a school's Title I will notify how your school is preparing students for college or a career, as well as the status of designation of the school under ESEA flexibility resignation of Georgia.

Under ESEA flexibility resigns from Georgia, some title schools are designated as rewards, priority, attention or alert schools. The waiver also allows the use of the Faculty and career ready Performance Index (CCRPI), which serves as a report card for all schools in Georgia. The CCRPI provides a score between 0-100 for each school, and that score measures how as well is making the school in preparing its students to succeed in college or a career.

CCRPI for secondary Adairsville score is **71.3** more information about sheet music CCRPI can be found at <http://ccrpi.gadoe.org>

I am very proud to say that AMS has not received a designation of the school this year, which means that we continue to provide a quality education to all our students.

At AMS we pride ourselves in education that we provide for our children. AMS administrators, teachers and staff work very hard to meet the needs of all students to ensure that students achieve at their highest potential.

An important part of success of AMS is the participation of parents and support in the development of activities to improve student achievement. We hope that you will become our work of school improvement as we continue to monitor the performance of students and set high expectations.

If you are interested in participating in the development of our school improvement plans, be part of our team of family engagement or questions can better help your child in school, please contact Suzi Lance, Deputy Director in 770-606-5842 or [suzi.lance@bartow.k12.ga.us](mailto:suzi.lance@bartow.k12.ga.us).

Thank you for all that you do to support your child's education.

Sincerely,

Tony Stanfill
