STATEMENT OF COMPLIANCE

Board Policy 5141.8 –Sports-Related Concussion and Head Injury

Prevention of sports-related concussion and head injuries is an important component of Franklin Lakes School District’s athletic program as addressed in our Policy 5141.8 (attached).

As an organization that uses District facilities for youth sports, you are responsible for assuring the District that your coaches and other volunteers have been properly trained on the facts about concussion and head injury including when it is safe for athletes to return to play.

The Centers for Disease Control and Prevention provides an online training session entitled “Heads Up, Concussion in Youth Sports” which can be found at: www.cdc.gov/concussion/HeadsUp/online_training.html

This statement of compliance must be presented to the District before the use of our facilities is approved.

I, _____, an authorized representative of _____

do hereby certify that our organization is in full compliance with the Franklin Lakes School District’s policies for the management of concussions and other head injuries.
