Expectations for Success

1. We are **self-confident learners**. We set goals, monitor our progress, and strategically work to achieve our goals.
2. We **value challenges and obstacles** as opportunities to learn and grow.
3. We **communicate**. We share thoughts, questions, ideas, and solutions.
4. We **collaborate**. We work together to reach a goal – putting talent, expertise, and smarts to work.
5. We are **critical thinkers**. We look at problems in new ways, linking learning across subjects and disciplines.
6. We are **creative**. We show innovation and invention by trying new approaches to get things done.
7. We **use technology as a tool** to research, organize, evaluate, and communicate information.
8. We are **mindfully aware**. We are aware of our thoughts and actions and their impact personally, locally, and globally.
9. We **value empathy and optimism**.
10. We **express gratitude**.
