

# Rock Island-Milan School District #41

## OUR PURPOSE

To educate for individual student success.

## OUR MISSION

To provide all students with a quality education.

## OUR VISION

To become the school district of choice for a successful and creative educational experience.

## OUR VALUES

Student learning and achievement – academic growth and attainment;  
social and emotional growth.

Family and community collaboration.

Diverse learning styles.

Student empowerment.

Capacity building for staff.

Communication and building trusting relationships between all school stakeholders – students, staff, parents and community.

Educators who teach, lead, and serve by example.

Creative solutions to meet the needs of our students.

## OUR PRIORITIES

Increase student achievement, build respectful relationships and improve operations.

**Strategic Plan 2017-2020**
