

Create your own Reading Lists through Lexile.com

1. Create an account on www.lexile.com by clicking on **Register**.
2. Complete the registration form and click submit.
3. **Sign In** using your email that you provided in registration and the password you created.
4. Click on **My Account**.
5. Click **Create a New Reading List**.
6. Use your child's name as the name of the list. (ex. Lauren's Summer Reading List)
7. Click **Update**.
8. Click on **Use Lexile Measures** and then on **Find a Book**.
9. Enter your child's Lexile Level from the communication book.
10. Choose the categories that your child likes to read, or have them help you select them. (You can choose as many or as few as you want.)
11. Click **Submit**.
12. A list of books will be populated based on your child's Lexile and interests. To add books to the reading list, click the button Add to Reading List.
13. If you would like to refine your search use the use the Age Range located on the right and click submit.

14. To view the list once you have added books, click on **My Account** and then the book list title.
15. You can then choose to email or print the reading list.
16. If you would like to see if the book is available at our public library, click Find This Book and then Find in a Library WorldCat. Enter your zip code in the box next to Enter your location.
17. If you would like to purchase the book you can click on Find This Book and choose Barnes & Noble or Amazon.com
