Make a Difference Day

Was A Success!

A BIG MAHALO to all our students, staff, parents and community volunteers that came out on Saturday, February 24 to our Make a Difference Day! We had close to 100 volunteers who worked hard on so many projects. We had only chosen to clean the gym bleachers, PE lockers and start a wall mural but because of the number of volunteers we were able to:

- Clean the entire gym, including the bleachers and floors
- Clean the PE locker and the locker room
- Paint the H building lockers
- Clean the area on the side of gym (weeding and sweeping)
- Go through thousands of recyclables and prepared them for the recycling center (a very dirty and smelly job!)
- Take a ton of old equipment and trash to the dump
- Build a composter
- Clean the chicken coop
- Paint cabinets in the teacher workroom
- Conduct a campus-wide trash pick-up and more!

In only three short hours we were able to complete so many tasks thanks to the many hands! We have to give a special thank you to the many students from Student Council, National Honor Society, JROTC, Science Club, our student-athletes, Spanish Club, Art Club, Hiking Club, Natural Resources, Photo/Graphics Club, the Kailua Assembly of God team and our awesome PTSA families! Student not only had fun, but they were fed great morning snacks and delicious pizza for lunch thanks to the generosity of our PTSA. We also want to thank Hardware Hawaii and Aikahi Safeway for their donations of supplies and snacks. They also received valuable volunteer hours that are needed by so many to qualify for scholarships and earn extra raffle tickets for the sports banquet to get more chances to win amazing prizes, and some even said “it is just nice to help out our school to make it look nice”. Another Make a Difference Day will take place in October. We hope you can make it!

Students Participate in Legislative Process

As the Hawaii State Legislature begins its 2018 session, student leaders take a crash course in bill tracking and lobbying. They learn about the legislative process and the importance of our participation in the process. Each leader tracks two bills and performs at least two lobbying activities for each of them. Participants write and submit testimonies, attend hearings, and communicate with legislators.

On January 26-27, Denton Allard, Maria Darrah, Chais Droge, Jared Estrada and Tia Vernon attended the Secondary Student Conference at YWCA Laniakea, Hawaii State Capitol, and Pagoda Hotel. Delegates from across the state attended the two day event to learn about ways students can take action on various issues and concerns. Participants met with state legislators, discuss lobbying strategies with community leaders, and debate over student issues to prioritize bills for this legislative session. Top bills that students selected were HB1728 relating to disaster preparedness, HB2048 relating to school enterprises, and SB2353 relating to discrimination in education.

Student leaders visited the Hawaii State Capitol to witness our legislators in action and to testify for their bills. Brian Hyatt and Mackenzie Koehn testified at a hearing for HB1728. Delylah Pagaduan attended a hearing for HB2238 relating to disaster preparedness in schools. Hannah Barnett testified for SB2792 relating to background checks for child care providers.

As legislators prepare for crossover, our student leaders are learning that although over 4,000 bills are introduced in the House and Senate, only a small percent of them move forward at this halfway point. Most of the bills our students selected were deferred and died in committees.

Kalaeo joins 25 Hawaii schools to send a Lei of Aloha to Florida victims

Student Council and the Polynesian dance class led students to make a long ti leaf lei to send to Florida school shooting victims. A total of 26 schools helped to make 18 strands of t-leaf lei, one stand for each of the 17 victims and one strand for Marjory Stoneman Douglas High School. Each lei measured 220 yards each.

On February 24, schools and other volunteers brought their lei to the Hawaii State Capitol for a blessing. Each school tied ribbons to the lei with their school colors. The lei were loaded on a plane to Florida that afternoon for a presentation on February 25 and February 26.

The Kalāheo High School Foundation was established by the Kalāheo faculty when, in 1992, teachers decided to use as seed money the school’s National Blue Ribbon Schools Award of $4000, thereby benefiting students in perpetuity.

While fulfilling the Foundation’s mission to provide a growing endowment, the Board has awarded $16,400 in school grants for computers, special programs, student publications, classroom fans, chairs, production equipment, books, air conditioning and other needs.

With the support of former Kalāheo principal Dr. James Schlosser and woodshop teacher Art Fitchett, the History and Pride Wall in the school office is a Foundation project to honor school leaders and notable alumni. The wall highlights current events, the half-century history of Kalāheo Intermediate/ Kalāheo High School, and alumni accomplishments.

The Christine Snyder 9/11 Memorial—tree (2002) and stone marker (2006)—is a Foundation project with monetary and pro bono support from alumni, Ameron Hawaii, and stone sculptor Doug Jones.
