

Manor ISD Health Highlights

Manor Mustang Health Center

People's Community Clinic serves the medically underserved or uninsured with dignity and respect, and, will see your child regardless of ability to pay.

Services include: well-child check ups or sports physicals for newborn to 5th grade; acute sick visits, immunizations, lab work and rapid flu-strep testing, management of asthma, diabetes, obesity or developmental disability, referral for behavior health services, dental clearance, hearing and vision testing and financial screenings.

16th Annual School Resource Fair

This is an annual event, held in August. This year, over 500 families met with community providers and 2,000 students received free school supplies.

Healthy Schools Flu Vaccines for Students

Healthy Schools creates Public/Private partnerships with local health departments to work in conjunction with local school districts to provide Flu Vaccines to students at no cost to the families, school or health department.

By engaging the Health Schools to provide vaccines for students, the district and families are able to accomplish great results.

- Keeping students and teachers healthy, erasing one of the reasons students miss school
- Providing a service to families that have to miss work to vaccinate child at their pediatrician
- The economic drain to the community when parents have to miss work to care for a child with the flu and a savings by keeping people out of the emergency room with the flu.

Kid's Vision for Life Program

Launched in 2008 by [Essilor Vision Foundation](#), a Dallas-based 501(c)(3) public charity the Kids Vision for Life program establishes strategic, local partnerships in communities throughout the United States to increase access to vision screenings, eye exams and new prescription eyeglasses. This service eliminates the most common barriers—access and expense—to vision care for low-income families by conducting vision screenings, performing eye examinations and dispensing new prescription glasses on-site at local schools and at no cost to the family.

HEB - Flu Vaccines for Staff:

HEB Pharmacy provided Flu Vaccine Clinic for staff on September 29th at the Manor Mustang Health Center.

St. David's Dental Program in Manor

With the largest fleet of mobile dental clinics in the country, St. David's Dental Program offers free dental screenings, sealants and acute care to children at Title I elementary schools across six school districts in Central Texas. Each of the nine vans is equipped with two dental exam rooms, digital x-rays, and computer workstations. Licensed dentists, hygienists, and dental assistants staff the vans.

No Place for Hate Designation

The Anti-Defamation League (ADL) awarded the No Place for Hate District Designation banner to Manor ISD at the board meeting on Monday, September 19th.

This is the second consecutive year that the district has received this distinction for its central office participation, as well as that of all of its campuses for promoting bullying prevention awareness activities. Central office activities included collaboration with the iTeach Technology department featuring a family summit with emphasis on digital citizenship, and the video presentation of "A Brave Heart, The Lizzie Velazquez Story."
