Lakeview High School

New Student Open House

2018
Lakeview recognizes that students’ needs are different based on future academic/career plans and learning styles. We have created a schedule and class offerings to accommodate each and every student.

9 Advanced Placement Courses to earn college credit on campus

6 Accelerated Courses

Dual Enrollment to earn college credit
• Wayne State University – On Campus (8)
• Baker College – On Campus Medical Careers
• College of Creative Studies (Art)
• Macomb Community College

On-line course options through the Michigan Virtual High School (this could allow a student to move through high school faster than the normal track) (www.mivhs.org)

Career and Technological Education to learn specific job skills

Testing out of courses to move through high school faster

Independent Studies to gain a deeper understanding of a content

Band, Orchestra and Choir
Teachers will use strategies learned through Professional Development training in the following content areas:

1. Students’ will practice and learn strategies and skills to solve **mathematics** problems, without the use of a calculator. Growing standardized test scores (7-10%) annually.

2. Students’ will learn **mathematics skills that incorporate SAT style practice questions** with distracter elimination skills along with practice and mastery of graphing calculators and breaking down text within the question. Growing standardized test scores (7-10%) annually.

3. Students’ will learn how to **Write** in a manner that allows them to **express judgments, develop a position, while focusing on their topic and maintaining effective use of language skills**. Growing standardized test scores (7-10%) annually.

4. Students will learn to **interpret and analyze text using CAW (Claim, Evidence, Warrant)** The skills developed through practice will provide our students growth necessary to increase standardized test scores (7-10%) annually.
