

Campus Mobile App

The Campus Mobile App allows parents to view information about their child in real time. Depending on which Campus Portal Settings are active for your child’s school, you may see any of the following:

- Planner
- Assignments
- Attendance
- Grades
- Schedule
- Settings

The following devices and operating systems are supported:

Device	Minimum Operating System
Apple Mobile Devices (iPod Touch, iPhone)	iOS 6.0+
Apple Tablet Devices (iPad, iPad Mini)	iOS 6.0+
Android Mobile Devices (Phones)	Android 2.3+
Android Tablet Devices	Android 2.3+

TO INSTALL THE APP:

Access the Adams12 website at www.adams12.org. From the home page, scroll down to the bottom of the page and click **Infinite Campus**.

The screenshot shows the Adams 12 Five Star Schools website. The top navigation bar includes links for DISTRICT, COMMUNITY, SCHOOLS, PROGRAMS, SERVICES, NEWS, and CALENDAR. The main content area is divided into several sections:

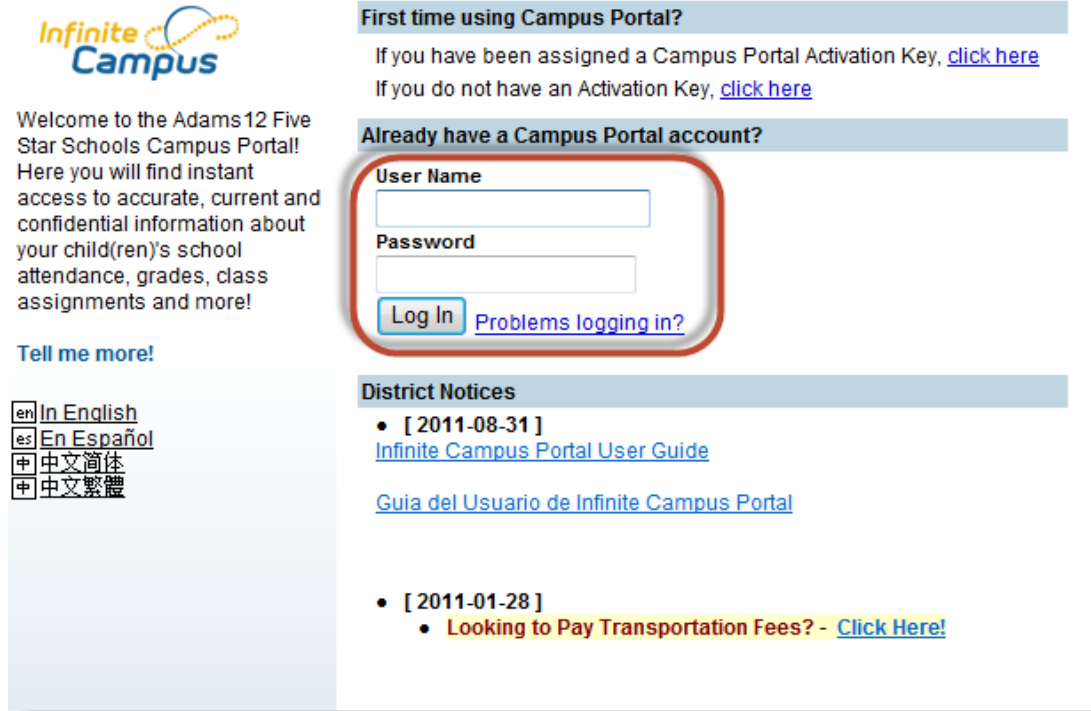

- Featured News:** A large teal banner reads "FIVE STAR PROUD Achievement Results". Below it, a news article titled "Five Star District students demonstrate achievement gains" is dated 09/01/2016. The article mentions gains at all levels from elementary to high school.
- INCIDENT UPDATES:** A teal header with the text "INCIDENT UPDATES" and "Incident Updates" below it. It mentions information on a September 11 bus accident.
- 2016 BOND PROPOSAL:** A red header with the text "2016 BOND PROPOSAL" and "2016 Bond Proposal (Ballot Issue 3D)" below it. It states "Investing in every student, every school, every community."
- STUDENT & FAMILY OUTREACH PROGRAM:** A blue header with the text "STUDENT & FAMILY OUTREACH PROGRAM" and an illustration of children.
- Job Opportunities:** A section with a green "Infinite Campus" logo and the text "We are hiring! Learn about the positions we have available and apply today."
- Agency:** A section with the text "Learn about the district budget and how your tax dollars help our students."

At the bottom of the page, there are logos for CO, FIVE STAR, Infinite Campus, PayForIt, and safe2tell. The footer contains copyright information: "Copyright © 2016 Adams 12 Five Star Schools - Notice of Non-Discrimination - Search - Staff Login" and contact details: "1500 E 128th Avenue, Thornton, CO 80241-2602 - Phone: 720-972-4000 - Contact".

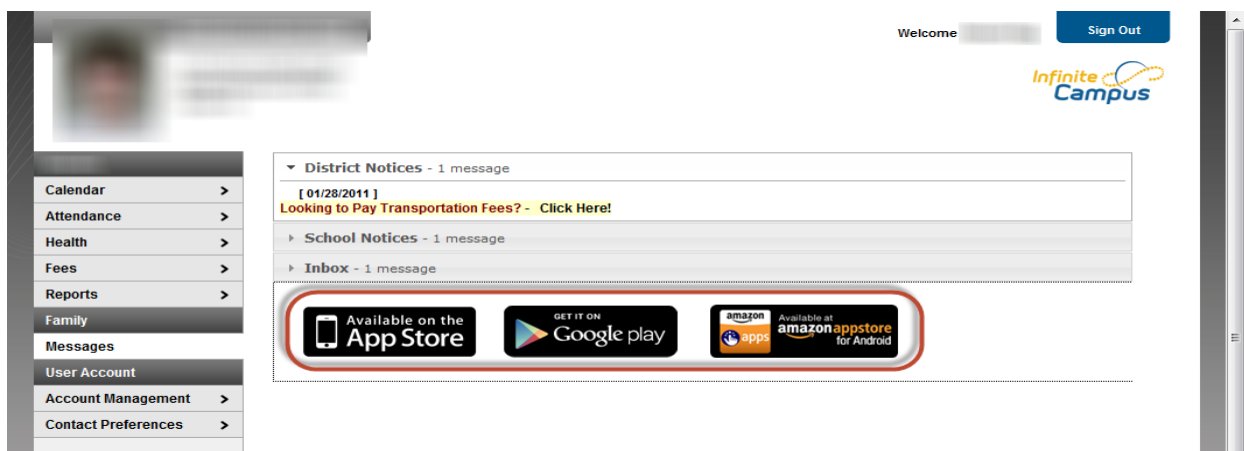

Log into the Campus Portal using your existing username and password.

Note: If you are able to log into the Campus Portal, you are able to log into the mobile app using the same credentials. If you enter your username or password incorrectly when signing in to the app on your mobile device, the app doesn't make it clear an incorrect username or password is the problem. Try your password again. Contact your student's school for a password reset if you have any issues.

If you do not have a Campus Portal username and password, at the top of the Portal sign-in page under "First time using Campus Portal?" click the link "If you do not have an Activation Key, click here." This will walk you through the steps to create a portal account.

On the first page of the Campus Portal, there are three buttons, one to download the iOS app from the iTunes App Store, or two to download the Android app from either Google Play or the Amazon Appstore. Click one of these buttons to download the correct app for your mobile device.

The next screen contains the District ID, which is required to log into the mobile app on your device.

One Touch.
Tons of Info.

Mobile Portal Installation and Login

Go Mobile Anytime. Anywhere.

1. Download the App

Our app is available for iOS, Android, and Amazon.

2. Launch the Campus App and Enter Your District ID

 Your District ID: RXTFVS

Your District ID is used by your device to locate your district's installation of Infinite Campus.

Note: On iOS your District ID will be verified and display your district's name after a successful verification.

3. Enter Your Portal Account Information to Sign In

Enter your Campus Portal username and password. It's the same account you use in your web browser.
