This is to certify that the LINDEN UN School District has received payment of fees per LINDEN UN School District Board Resolution No. 102010-R24. It is understood that any alterations or changes in the reportable square footage for which a building permit is required will require a fee adjustment and the issuance of a new certificate of compliance to replace original certificate.

1,550 square footage x \$3.04 sq.ft. (Developer Fee) = \$4,712.00

Remarks: Square footage calculated as follows: Square footage of proposed farm employee duplex (2,582) less square footage of demolished SFR (1,032) equals difference of 1,550 square feet.
