

SHAC 10/25/2016

Minutes: 15:30-16:12

Community Representation Present: Tammi Lide, Cristie Martin, Jennifer Gutierrez, Lacy Burkes, Stacey Moore.

Staff Representation Present: Prissy Sweat, Sherri Ramirez, John Norrell, Sunday Elerson.

Lacy Burkes, Nurse Practitioner NP, presented a program provided by Mylan, the makers of Epinephrine Auto Injector (Epi-Pen) that is Epi Pens for Schools. As a participant in this program Mylan will provide an Epi-Pen set of 2 for each campus at no cost to the school. Lacy Burkes NP, would agree to be the provider that signs a standing order for our district. The Health Department in cooperation with Lacy and Mylan plan to draft an outline that covers protocol to implement this program, including education for our staff.
