<u>CHILD 1, CHILD 2</u>	
<u>LAST NAME</u>

When picking up your child in the afternoon, please place this placard against the windshield with the name showing out. This will help our monitors call out for your child and speed up the pick-up process.

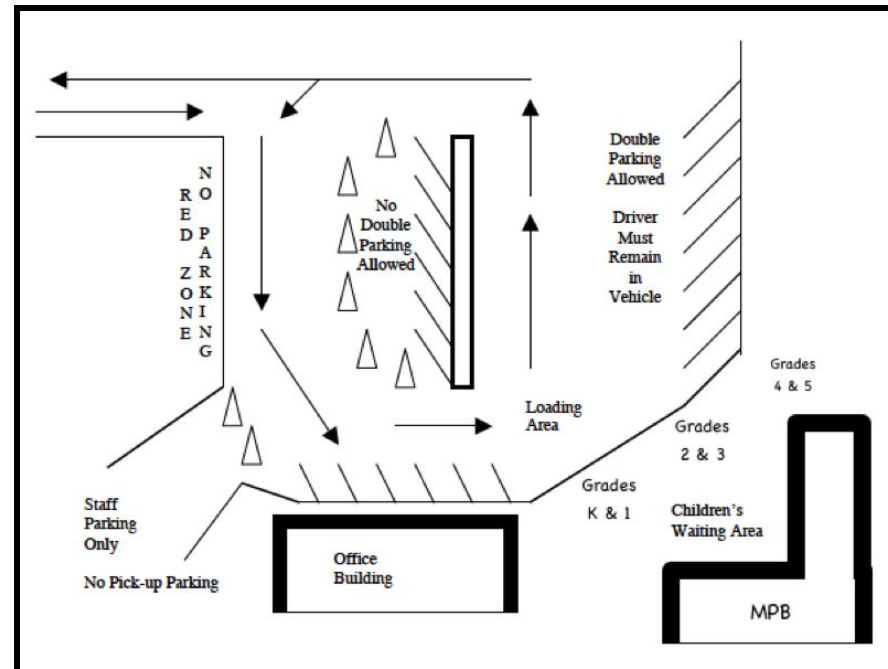

Drivers must move forward and circle the lot if their child is not ready.

Supervision of the afternoon pick-up area ends at 2:50 on most days and at 2:00 on Wednesdays. Students who are not picked-up by then will be escorted to the office. Parents of these children will need to sign-out their child from the office.

Remove this card from your dashboard when not in use.

Thank you for your cooperation!
