Public Comment

Trivium will receive public comments about items appearing on today's agenda, as well as other matters within the subject matter jurisdiction of the Board. All such comments will be received during the Public Comments section of the agenda. Individuals who address the Board are limited to three (3) minutes to speak on any item and a total of 10 minutes on all items for their presentation. The Board may limit the total time for all public comment to 30 minutes. Persons needing additional time are requested to submit the information in writing.

For comments concerning matters not on the agenda, open meeting laws and fairness to other residents who may have an interest in your topic prohibit the Board from taking action or engaging in extended discussion of your concerns. The Board may direct staff to meet at a later date with speakers who have specific concerns or needs. The Board may also direct that an issue be placed on a future agenda for discussion and consideration. This permits the Board and staff members to prepare and receive necessary information and for the public to be aware that a topic is being formally considered. We appreciate your cooperation.
