

# Los Angeles Trade-Tech College

## Programs of Study Leading to an Associate Degree

### Associate in Arts Degrees

Accounting  
Architectural Technology  
Baking, Professional  
Business  
    Management/Supervision  
    Retail Merchandising  
Carpentry: Construction Technologies  
Child Development  
Computer Apps & Office Technologies  
    Administrative Assistant  
    Information Processing Specialist  
    Office Assistant-Clerical  
Cosmetology  
Culinary Arts  
Electrical Construction Technologies  
English  
Fashion Design  
Fashion Technology  
Labor Studies  
Liberal Arts & Science  
    Natural Sciences  
    Multiple Subject Teacher Prep  
Marketing & Public Relations  
Paralegal Studies  
Plumbing: Construction Technologies  
Real Estate  
Restaurant Management  
Sign Graphics  
Street Maintenance Technology  
Visual Communications

### Associate in Science Degrees

Automotive Collision Repair  
Automotive & Related Technology  
Carpentry  
Chemical Technology  
Chemistry  
Correctional Science  
Computer Information Systems  
Diesel & Related Technology  
Early Childhood Education  
Electrical Construction & Maintenance  
Electronics Communications  
Fashion Merchandising  
Machine Shop-CNC  
Mathematics  
Microcomputer Technician  
Nursing  
    Registered Nurse  
    LVN-RN Career Ladder  
Plumbing  
Process Technology  
Refrigeration & Air Conditioning  
Renewable Energy Efficiency  
Renewable Energy Technician  
    Powerline Mechanic Emphasis  
    Solar Thermal Emphasis  
    Solar PV Installation & Maintenance  
Water Systems Technology  
Wastewater Systems Technology  
Welding Gas & Electric
