

Redondo Union High School COLLEGE SEARCH TOOLS

NAVIANCE: <https://connection.naviance.com/ruhs>

- **E-mail:** RUHS Student Identification #
- **Password:** six-digit birthdate (i.e. 062597)
- Use **SuperMatch** filter system to find the right school for you!
- **“Search for Colleges:”** Type in the name of a college and use the grey bars to get information about admissions, deadlines, financial aid and selectivity. Use the **“GRAPH”** link to find the scattergram. This tool is invaluable! The scattergram is a fantastic resource to find “target” schools and those that may offer more merit scholarship.

BIG FUTURE: <https://bigfuture.collegeboard.org>

- Use the College Search filters to find the right school for you!
- Search by major, test scores/selectivity and location to start. Size of school may matter to you, too. Think about the learning environment in which you would be most comfortable – where you would be most likely to get INVOLVED in your education.
- Under **“Paying,”** you will find a Net Price Calculator option to calculate approximate financial aid opportunities to get a better estimate of what you might actually pay.

COLLEGEdata: www.collegedata.com

- This is a great tool for a more detailed accounting of financial aid, net price and other data.
