California Department of Education School Accountability Report Card Reported Using Data from the 2013-14 School Year

Published During 2014-15

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

School Description and Mission Statement (Most Recent Year)

Jefferson Elementary School is located in Redondo Beach and services students from kindergarten through the fifth grade. One of eight elementary schools in Redondo Beach, Jefferson provides a comprehensive student-centered environment. The school community collaborates to ensure a positive, productive learning atmosphere for all students. Jefferson believes in opening the doors to college early in a child's education and therefore works with all students on goal-setting, project-based learning and exposure to higher education and career models in order to prepare students for the next steps in their education. Curriculum is enhanced through critical thinking and project-based skills and strategies, with a focus on Science, Technology, Engineering, the Arts and Mathematics (STEAM) activities and learning. Students are required to demonstrate knowledge and understanding through a variety of academic activities and projects. These activities involve higher order thinking skills and encouraged students to explain and expand, illustrate, and apply their learning on an on-going basis. Student support services include, but are not limited to: a school counselor, part-time nurse and school psychologist, part-time English Language Development instructional assistant and Lead Teacher, Lead Technology Teacher, and Lead GATE teacher, 4/5th science teacher, 2 PE coaches, as well as full-time health clerk, librarian, speech therapist, and Learning Center teachers.

Jefferson focuses on educating the whole child. Students are provided with skills necessary to reach and excel beyond the standards for academic success paired with citizenship and leadership skills. These are key pieces to the Jefferson educational program. Students are provided with enriching opportunities to contribute to the school organization through Student Conflict Resolution Teams, 5th Grade Happy Helpers, Upper-to-Primary-Reading Buddies, Cross-Age Peer Tutors, Occupational Handicap and Deaf and Hard of Hearing student program helpers, Green Student Ambassadors, and through our Safe School Ambassador program. Jefferson students and staff participate in the above programming to promote positive character building, conflict resolution strategies and improve relationships within and throughout the school community. Jefferson Elementary offers a modernized combined school library and a computer lab, "The Cybrary", with individual student work stations and a variety of genre and texts to check out. In partnerships with the Beach Cities Health District, students are provided co-curricular instructional programs such as MindUp, Moving Children, and LiveWell Kids. Choral, instrumental music and theater arts programs are offered from 1st – 5th grade. In addition to curricular programs offered during the school day, Jefferson partners with local companies and business to offer a variety of enriching after-school academic, second language, visual and performing arts, and sports-based programs. We welcome you to come visit our inspiring Jefferson community!

Jefferson Elementary School will provide a high-quality, standards-based education. Achievement will be supported through teachers, support staff, administration, parents, and technology. Instruction will be goal oriented with open communication to encourage risk taking. Working together will ensure all students receive a thinking, meaning-centered curriculum. Your environment will be safe, supportive, and caring to encourage mutual respect and build self-confidence, pride, and uniqueness.

School Safety Plan - Most Recent Year

The Redondo Beach Unified School District has developed Comprehensive School Safety Plans and coordinated school crisis response procedures in partnership with law enforcement and emergency response organizations. The Comprehensive School Safety Plans meet the requirements of the annual Safety Plan Process under California SB 187. As stated in SB 187, school safety plans are updated annually with participation from staff and additional stakeholders in a School Site Council.

District schools have also developed a "Grab and Go" guide to supplement the Comprehensive School Safety Plans. The Grab and Go guides detail teacher and staff procedures in an actual emergency, in addition to site emergency response teams.

Types of Services Funded (Fiscal Year 2013-14)

Jefferson receives categorical funds for School Improvement in addition to EIA (Economic Impact Aid/Limited English Proficient). EIA funds are used to support English Language Learners and for providing support to all students' learning. The majority of the total district budget is spent in the classroom on instruction, books, supplies and equipment. Approximately 20% of the budget is allocated to the school for support services. The remaining percentage covers district services such as business, utilities, instructional support and personnel.

Professional Development – Most Recent Three Years

The Redondo Beach Unified School District is focusing staff professional development (PD) in three main areas: effective instructional strategies aligned to Common Core State Standards (CCSS) at school sites; use of technology in instruction; and the implementation of Positive Behavioral Intervention and Supports (PBIS) in all schools. While the current PD does focus on instruction and curriculum in mathematics and English Language Arts (ELA), the RBUSD is also developing PD for the Next Generation Science Standards (NGSS) and social science standards.

The RBUSD is engaged in a multi-layered approach to delivering PD. The District provides PD through: teacher release time; conference attendance; one-day workshops; mentoring; and after-school, "early out" days.

The use of student data is critical to better assess and support individual student development. The District provides training on our new student data management, Illuminate Education, to analyze individual and aggregate student progress.

Internal PD offerings are supplemented by partnering with external professional development organizations, including universities such as LMU and UCLA. Our partners advise on the District's program development and provide PD for teachers and administration on instructional programs for all students.

The District is designing a teacher coaching model in concert with the Redondo Beach Teachers Association to mentor teacher development in: differentiating instruction; developing CCSS aligned lesson plans; as well as English Language Development aligned instruction strategies to better support our English Learner student population.

Our new teachers are supported at school sites and at the District level through the Beginning Teacher Support and Assessments (BTSA) Program where each new teacher is mentored by a BTSA support provider. By working within BTSA, a new teacher receives support and resources to improve their teaching pedagogy.
