Dear San Jose Families,

Spring Break has finally arrived. I hope everyone gets the much needed rest they deserve and if you are traveling I wish you safe travels. I want to wish Mrs. Bell, Ms. O'Connor and Mrs. Shelton much luck as they head to Tampa with a group of our drama students for the opportunity to compete at the state level.

Yesterday we had two simultaneous efforts to commemorate the lives that have been lost both in Parkland, FL and across the country and to take a stand against senseless gun violence. The high school students who came to the cafeteria 10 engaged in several activities to include a moment of silence where they were able to reflect on their lives and think about how precious life is. Our SRO, Officer Borden stood with students who chose to stand in silence in the hallway for 17 minutes.

As we look ahead, I want to encourage my learning community to commit to Treating Everyone with Respect; Stand Up for Others; See Something, Say Something, Get Involved ... If you anyone feels like being mean to someone, they need to find something more productive to do. Everyone is here for a purpose and I want to ensure that everyone is safe and we can work together towards a mindset of serving others and striving to be the best version of ourselves every single day!

Starting Monday, March 26th all students who arrive between 6:45-7:10 am will be reporting to the cafeteria [via the MS doors](#) under the supervision of Mrs. Hucks. This change came as a result of conversations with high schoolers and parents who voiced concern about their safety outdoors when it is still dark. I want to urge parents who drop off their children after 7:15 am, which is when instruction begins, to make every effort to drop them off by 7:10 am. There are too many classrooms with 3-5 students and the remainder trickle in a slow stream. It is unfair to our teaching staff and students who are committed to arriving by our start time to have unnecessary interruptions to their instruction.

On the 2nd page of this newsletter are the dates for the remaining state tests, compliments of Mrs. Bell.

Have a terrific time off and I am looking forward to seeing everyone back on March 26th.

Mrs. Aponte
