

Student Access to INOW Home Portal
SY 2017/2018

Open an internet browser. In the address box, type **inow-bibbco.asc.edu/informationnow**. A security authentication window similar to the one below will appear. (The box may be slightly different depending on your browser.)

The username is **parent** and the password is **chalkhome**.

The INOW login will appear next. Enter the INOW username and password.

The first time you access INOW, you will be asked to create a new password. The password must be at least 8 characters and must include letters and numbers. Once you log in, click on the "Chalkable" link in the top right to access any documents attached by your teachers.

****If you are unaware of you login information please feel free to call the school or send you student by the office.****
