

Assistant Principal Report

10/17/2016

1. Working with new child study forms and initializing child studies
 - a. Working on a process to get information from teachers in order to identify our students who are at greatest risk
2. Adding some activities to morning extended learning area time in the elementary so students are more prepared and able to learn when they enter the classroom
3. Introduced a new specials schedule to the elementary last week
 - a. Provides more outdoor recess time without taking away from class time
 - b. Evens out our large kindergarten numbers
 - c. Provides more supervision during recess and lunch
 - d. Will provide a smoother lunch schedule on early release days
 - e. Still working out a few kinks
4. Preparing to assist staff in looking deeper into our data without it being overwhelming
