Newport Landing Whale Watching
309 Palm Street Suite A, Newport Beach, CA 92661

ORANGE COUNTY CHAPTER
Option for an onboard American Cetacean Society Naturalist (ACS-OC) to narrate the cruise.
Option for an in-class presentation by an ACS Naturalist to teach students about the marine life they are
likely to see on the trip (subject to availability).

ASK ABOUT OUR STEM CRUISES
Enhanced Whale-Watching Cruises
Perfect for 3rd – 6th grade.
Student research teams take part in five monitoring projects including marine mammal ID, bird counts and plankton
tows while whale watching.

PARTNERED WITH
Marine Protected Area
Citizen Science Cruises
Perfect for 7th-12th grade.
Students use underwater cameras and other scientific equipment to help
scientists monitor Crystal Cove’s Underwater Park.
