Below is a screening for a film called "Suicide the Ripple Effect". It is a documentary that tells the story of Kevin Hines, who at age 19 attempted to take his life by jumping from the Golden Gate Bridge. Today, Kevin is a mental health advocate, motivational speaker and author who travels the globe spreading a message of hope, recovery and wellness. He wanted to better understand how his suicide attempt impacted his family, friends and the first responders who saved him. Here is the informational Link:
