## How the Selection Process and Show Will Work:

- 1) **Auditions:** Auditions will be held in the band room. **ONLY** the performer(s) and the selection panel will be allowed in the room during the audition. Parents, friends, and other students auditioning will be asked to wait in the hallway during the audition. The selection panel will score each audition using specific criteria. Performers may leave with parents once their audition is complete. Performers may elect to do multiple auditions (ex. Vocal Solo & Group Dance), but students may only be selected to be in the show for one event. Also, we will only allow a certain song to be performed once, so if multiple students choose the same song, only one of these students will be selected for the show. All students who audition will be notified by **Friday, April 6** if they were selected for the show.
- 2) **Rehearsals:** We will only have ONE (1) dress rehearsals for the show. The dress rehearsal is on a day where there is no school, but it is very important that students make arrangements to attend. Students should plan to have everything to practice for the dress rehearsal, including any required costumes or accessories as this will help students feel more comfortable on the night of the performance. Failure to attend the rehearsal(s) **WILL** result in removal from the show. **NO EXCEPTIONS!**
- 3) **Talent Show:** Students will be expected to **arrive 30 minutes before the start time** of the show and stay in the backstage waiting location prior to their performance. Students may choose to join parents after their performance or stay in the backstage waiting area with their friends. There will be a panel of judges that are not affiliated with TFAA in any way for the Talent Show. The judges will be given a scoring rubric to score each performance. We will have a 1<sup>st</sup> Place for each set of grade levels (K-4, 5-8), 1<sup>st</sup> Place for performance category, as well as a Grand Champion and Runner Up Overall.
