

PLAYGROUND RULES

We Are Respectful:

- We take turns on all the playground equipment.
- We keep our hands, bodies, and objects to ourselves. (This includes our feet.)
- We use our words to solve problems with others.
- We accept all students if they would like to play. Everyone is welcome to join in!

We Are Responsible:

- Swings are for only one person at a time.
- We keep our eyes open around the swing area. We do not stand behind or in front of swings when someone else is swinging.
- We swing forward and backwards only and not side to side.
- We stay seated while on the swings and come to a full stop before getting off.
- We ask an adult on duty to use the restroom or leave the playground for any reason.
- (NOTE: You do not have to ask an adult if you want a drink from the outside blue water fountains.)
- We do not hang upside down or do flips on any of the equipment.
- We do not stand or climb on the rails or benches.
- We help keep our school clean by picking up litter.
- We keep the sand in the sandbox.
- We slide down the slides and do not climb up the slides.

We are Ready To Learn:

- We learn and follow all the playground rules!
- We line up in an All Star line as soon as our class is called.
