

ST. MONICA CATHOLIC ELEMENTARY SCHOOL

SMCES Technology Platforms

Schoology -- Schoology is a Learning Management System (LMS) that extends learning beyond the school day and classroom walls.

As a portal into the classroom, parents and students can use Schoology to privately view:

- homework, upcoming assignments/tests
- course materials
- class announcements
- submitted student work

www.stmonica.schoology.com

Contact Ms. Peckins for login information.

Gradelink -- Gradelink allows parents and students to privately view student grades.

www.gradelink.com

Contact Mrs. Tuverson for login information.

SMCES Website -- The school website advances the mission of our school as it allows to view calendar dates, exciting school news, and school-wide static information.
