Aloha Students, Parents, and Guardians:

During the last 2 weeks of the 2nd semester (May 24-31), we have elected to institute a finals week schedule for students in grades 9 - 11. The purpose of finals week is to bring the learning for a specific class to a close. Finals for classes will consist of an exam, presentation, or performance task.

In the Finals Week schedule below, please notice that finals will take place in the morning and then students will be dismissed for the day. The **optional** Rider Time period will be available every day of the finals week to provide students with an opportunity to meet with teachers, complete make-up work and review for a final.
