

John Marshall High School

Parent Information

- RE: Back-to-School-Night: The PE department will meet parents in the gym. We will ring the bells on a period 1-6 schedule. Today's event is for teachers to explain what students will learn and class procedures. Parent/teacher conferences can be set up by e-mailing the teacher.
- All parents/guardians are invited to the School Decision Making Council parent election today at 7:00 p.m. in the Parent Center (first floor of the Main Building, east corridor). Coffee will be provided.
- As some of you have already heard, teachers at Marshall will be using a new grading system this year that will allow parents and students to access assignments, class calendars, and grades. The new system is called **Schoology**, and it is accessed through the districts **PASSport** web page. Please see the Marshall website's Parent section for more information. **To register, you will need to have your son/daughter's I.D. number that is on each student's I.D. card. If parents need assistance today registering for the new system, they may go to the Marshall Parent Center from 4:30 to 6:30 p.m.**
- Federal Free / Reduced Meal Applications
Students who qualify for the program will receive benefits beyond the school cafeteria food:
 - AP students only pay \$5 for each AP test—that is a savings of \$76 per test
 - Juniors and seniors can take the PSAT, SAT, and ACT college entrance tests for free
 - Seniors can apply to college for free, if they qualify for the meals program.
 - Marshall H.S. receives close to a million dollars based on the number of students in this program. If families who qualify do not apply, Marshall could lose this funding.
