(USE REGISTRATION CODE: MCHS)**

---

Please join us for a FREE Educational College Financial Planning workshop for parents of Madison Christian High School students.

In this information-packed 1-hour event, you will learn little-known strategies that could save you thousands of dollars on college costs.

## **Register Now, to Learn:**

- How to pick the *right* college for the *right* price, so that your child *doesn't* spend an extra year or two in college (**Savings: \$20,000 - \$40,000+**)
- Which assets are taken into consideration when the U.S. Department of Education calculates your Family Contribution (*If there is a way to keep your hard-earned assets out of the financial aid formulas, wouldn't you want to know about it in advance?*)
- How to lower your "out-of-pocket" costs and **maximize** your financial aid eligibility.
- How to develop a customized plan to *pay for the "gap"* between the cost of the school and the amount of financial aid you receive.
- How planning ahead when your child is younger can help you pay for **the entire cost of college** for your family *without* relying on risky 529 plan investments, expensive private student loans or raiding your retirement accounts.
