

AP Statistics Summer Assignment

Due: First Day of School for the Class----NO LATER (whether you are present or not). You can email me (rachelle.wheelock@leusd.k12.ca.us) your work if you want or need.

There are three (3) assignments: You must do all three assignments

#1 Remind 101: Text @apstatsrw to the following number: 81010. I might be texting you information before first day of school so you need to do this.

#2 AP Statistics Readiness Go to my website's AP Statistics page

1. Read: AP Statistics Syllabus

(a) Fill out the syllabus survey

<https://goo.gl/forms/HMpTPm7WbieXxvTk2>

(b) Fill out the survey...follow the link

<https://forms.office.com/Pages/ResponsePage.aspx?id=j54HvCPEDEWyjjNcM1aUcq-0t35SnnhIk7yzwzG5YERUNjZHTkcyOEtUN0k4TTFLUVU5RFRSQkNDWi4u>

2. Print and complete Calculator Contract if you are checking out a calculator from me.

3. Read Chapter 1 and 2 in the AP Statistics book you can download a pdf version from my webpage. Answer the Questions within Chapter 2 and do problems 3, 5, 7

#3 Find an article that describes an experiment or study or survey, READ it, write a summary (no more than a few sentences) that includes the 5 Ws (what you learned from Chapter 2) and bring it in on the first day of school.
